The easygoing layout of this open concept ranch floor plan makes the interior feel bright and breezy. With an organic flow between the kitchen, dining, and living room, this design promotes easy livability. Inside, a large living room opens to the well-equipped kitchen (which includes a large island and eating bar), and dining room (perfect for hosting friend and family). Looking for outdoor space, we've got you covered with a large patio in back or patio of the side!
